## The Golden Rules

✓ Keep it harmless

✓ Keep it quick

✓ Keep it work-appropriate

✓ Know your audience

✗ No involving students in confusion

✗ No interrupting important tasks

✗ No creating extra work for others

## Remember...

A good prank should end with:

**“That was funny!”**

Not:

**“Now I have to fix this...”**

## Mrs. Office Lady Tip

Sometimes the best part of April Fools' Day isn't the prank...

It's the laugh you needed in the middle of a busy school day 🧡
